DOES
ANY OF THIS
LOOK FAMILIAR,

A LITTLE.
NOT ALL THAT
SURE. HEAD AIN'T
WHAT IT USED
TO BE.

BUT
YOU'RE **SURE** IT
WAS **SOMEWHERE**

HERE?

WHATEVER
IT WAS, IT'S LIKE

THE SEIDWELL REHABILITATION INSTITUTE. CURRENT RESIDENTS IN CARE. TWENTY-TWO.

WOULD YOU LOOK AT DOCTOR WATERS?

@#\$\$ A NIBBLE. I'D EAT THAT @#\$\$ UP ALL NIGHT LONG.

WHAT I WOULD GIVE TO GET A NIBBLE OF THAT.

CURRENT FACULTY STAFF. NINE. NOT COUNTING THE THREE ORDERLIES. THREE FULL TIME SECURITY GUARDS AND TWO EMT STAFF.

OH, YEAH.

Ahem.

YEARS IN OPERATION. SEVEN. CURRENTLY HOME TO ONLY THE MOST ELITE, WEALTHY AND HIGHLY PUBLICIZED AT RISK YOUTH CASES IN THE WESTERN HEMISPHERE.

I SAID IT'S TIME FOR YOUR MEDS.

OKAY, CHEWBACCA, WE HEARD YOU.

KASEY, IS THERE A PROBLEM?

AVERAGE YEARLY REVENUE UPWARDS OF TWENTY-FIVE MILLION DOLLARS NOT COUNTING DONATIONS.

AND MY CURRENT PLACE OF EMPLOYMENT.

NO PROBLEM, MISS WATERS.

I TOLD YOU TO CALL ME BRITNEY.

BRITNEY.

SEE, NOW WAS THAT SO HARD?

SPEAKING OF HARD, WE SHOULD GET MOVING. GROUP STARTS IN ANOTHER TEN MINUTES...

AND WE WOULDN'T WANT TO KEEP THE NATIVES WAITING.

SO, WHO WANTS TO START TODAY?

MY NAME IS BRIAN JACOBS.

AND I'M LOUIS MAYWAY.

AND WE **REALLY** DON'T BELONG HERE.

YEAH, IT'S LIKE A **TOTAL** MISUNDERSTANDING AND STUFF.

SO WE LIKE TO DRINK. SO **WHAT?** IT'S NOT LIKE WE'RE SMOKING **CRACK** AND TURNING **TRICKS** ON HOLLYWOOD BOULEVARD.

BUT YOU **DID** ALMOST RUN OVER A TWELVE YEAR OLD GIRL WHILE **DRIVING** UNDER THE INFLUENCE.

YEAH, BUT COME **ON**, WHO LETS THEIR KID RUN ON THE STREET AT TEN AT NIGHT?

SERIOUSLY, I BLAME THE **PARENTS**.

EXACTLY. @#\$% WAS JUST **BOUND** TO HAPPEN. I'M JUST AN UNFORTUNATE BYSTANDER CAUGHT UP IN COLLIDING EXTERNAL FORCES BEYOND MY **CONTROL**.

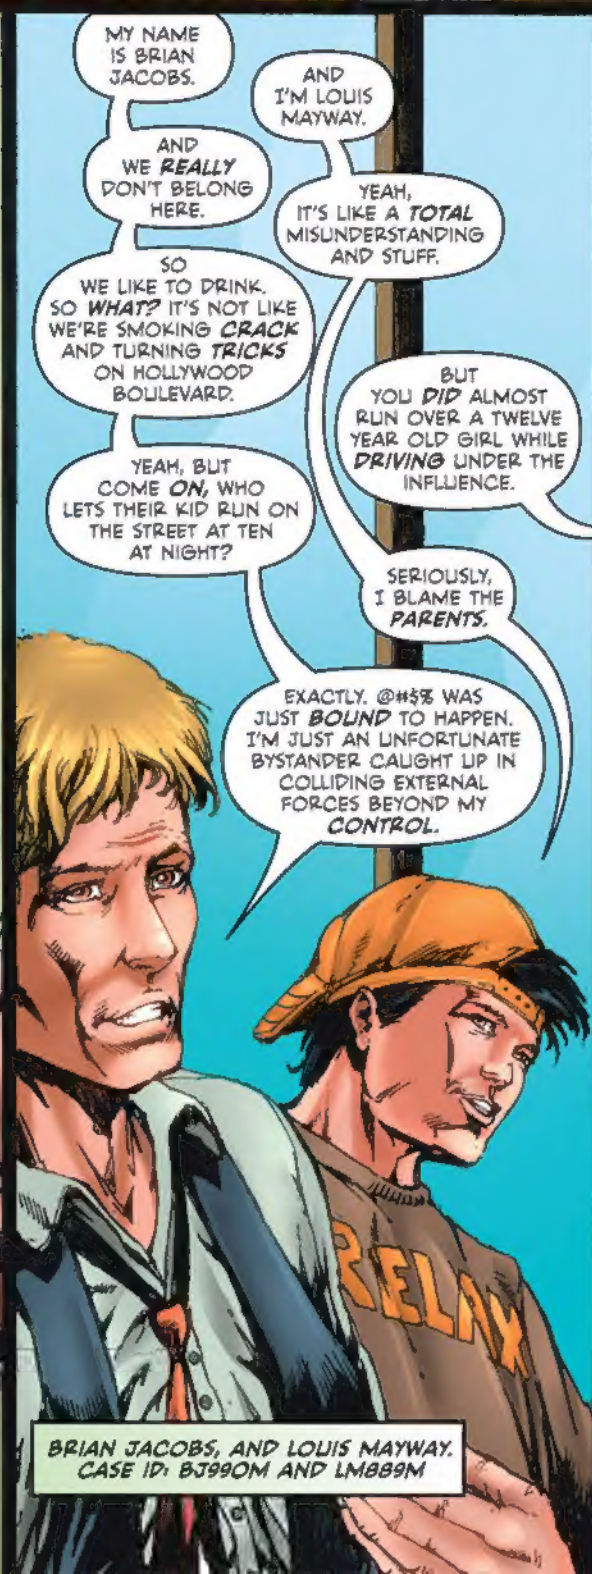

I @#\$%ING **HATE** IT HERE. THE **SMELL**, THE **FOOD**, THE **SQUEAKING** SOUND MY SHOES MAKE WALKING ON THE FLOOR. I **HATE** MY **DAD** FOR PUTTING ME HERE WITH ALL YOU **CONDESCENDING** @#\$%S.

SOUNDS LIKE THERE'S A **LOT** YOU **DISLIKE** ABOUT BEING HERE.

BUT YOU WANT TO KNOW WHAT I **DESPISE** **MOST** ABOUT THIS **PLACE**? IT'S HAVING TO SIT IN THIS **GROUP** AND PRETEND THAT **ANYTHING** I SAY, OR **ANYTHING** ANY OF YOU @#\$%S SAY, IS GOING TO SOMEHOW **MAGICALLY** MAKE EVERYTHING **BETTER**.

LYDIA MATTHEWS.
ANTISOCIAL BEHAVIOR
WITH AN ADDICTION TO
PAIN KILLERS.
CASE ID: LM532F

BRIAN JACOBS, AND LOUIS MAYWAY.
CASE ID: BJ990M AND LM889M

I'M NOT SAYING I SHOULDN'T BE HERE OR I SHOULD.

I'M JUST SAYING THAT WANTING TO HAVE SEX ISN'T **REALLY** AN **ADDICTION**. PLENTY OF PEOPLE MAKE A **PRETTY GOOD** LIVING AT IT.

THERE'S LIKE A **PROGRAMMED** **DIRECTIVE** TO GO OUT AND **REPRODUCE** AND SPREAD THE SEED AND FURTHER THE SPECIES. IT'S LIKE IT'S **EMBEDDED** IN OUR **DNA**.

TANYA ROSENBERG.
SEX ADDICT.
CASE ID: TR690F

DAVID?

PASS.

DAVID GONZALES.
BINGE DISORDER.
CASE ID: DG998M

David Gonzales. Parents crashed into a plane on a skiing trip mountain and left him a millionaire in and left him not stopped sitting. Has not stopped sitting since. Wants to do more.

ANNIE?
WOULD YOU
LIKE TO **SHARE** WITH
THE GROUP? YOU
DON'T HAVE TO IF
YOU DON'T
WANT TO.

IT'S OKAY
IF YOU **WANT** TO,
ANNIE. YOU'RE **SAFE**
HERE. NO-ONE IS
GOING TO **JUDGE**
YOU.

I DON'T
HAVE A PROBLEM.
OKAY? IT WAS AN
ACCIDENT.

YOU
CUT YOURSELF
OVER **EIGHTY-FIVE**
TIMES. DOES THAT
SOUND LIKE AN
ACCIDENT TO
YOU?

IT
SOUNDS LIKE
IT **SOUNDS**,
BITCH.

ANDREA "ANNIE" WATSON.
SELF MUTILATION DISORDER.
WITH PSYCHOTIC TENDENCIES.
CASE ID: AW661F

ERIC GALAPAGOS.
CATATONIC SCHIZOPHRENIA.
CASE ID: EGO08M

ERIC,
WOULD YOU
LIKE TO TRY AND
SAY SOMETHING
TO THE GROUP
TODAY?

Galapagos: Patient case history less than ideal as a full case study was unable to be performed by the intake doctor at time of admittance due to disclosure regulations made by his father. That is known is client has history of heavy drug use. Psychotropic medication.

LOOKS
LIKE THAT'S ALL
THE **TIME** WE HAVE
FOR TODAY...

AND FOR THE **HUNDRETH**
TIME I WONDER TO MYSELF
IF I AM DOING ANY GOOD
HERE.

zzlght

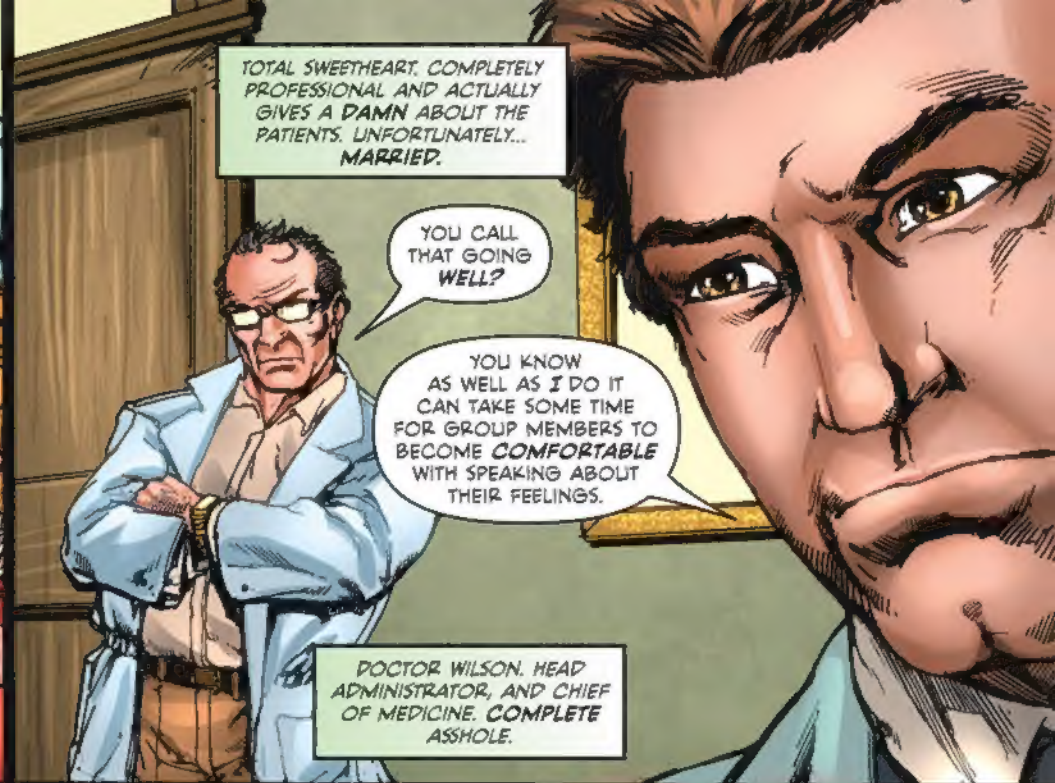

I THINK
THAT WENT
WELL.

HEY, DOCTOR PATRICK.

THINGS SEEM TO BE GOING WELL WITH THE NEW GROUP.

DOCTOR CHRISTOPHER PATRICK, PROBABLY THE MOST DREAMIEST OF DREAMY DOCTORS TO EVER PUT ON A LAB COAT.

TOTAL SWEETHEART. COMPLETELY PROFESSIONAL AND ACTUALLY GIVES A DAMN ABOUT THE PATIENTS. UNFORTUNATELY... MARRIED.

YOU CALL THAT GOING WELL?

YOU KNOW AS WELL AS I DO IT CAN TAKE SOME TIME FOR GROUP MEMBERS TO BECOME *COMFORTABLE* WITH SPEAKING ABOUT THEIR FEELINGS.

DOCTOR WILSON. HEAD ADMINISTRATOR, AND CHIEF OF MEDICINE. COMPLETE ASSHOLE.

YES, YES, YES. I'VE HEARD IT ALL BEFORE.

AS LONG AS THE CHECK CLEARS AND WE ARE SEEING PROGRESS WITH THEIR SCHEDULED DISCHARGE I COULD REALLY CARE LESS.

WHY THAT...

JUST LET IT GO, DOCTOR PATRICK. HE'S NOT WORTH YOUR TIME.

zzighe

YOU'RE RIGHT. AND SPEAKING OF TIME, YOU MIGHT WANT TO GET GOING. LOCK DOWN IS IN AN HOUR.

DON'T WANT TO ACCIDENTLY GET STUCK HERE OVERNIGHT NOW, DO YOU?

HUNDREDS OF
MILES AWAY.

IN ANOTHER PLACE, IN
ANOTHER LAND, IN A WORLD
LOST IN MYTH AND MAGIC, A
WAR HAS BEGUN.

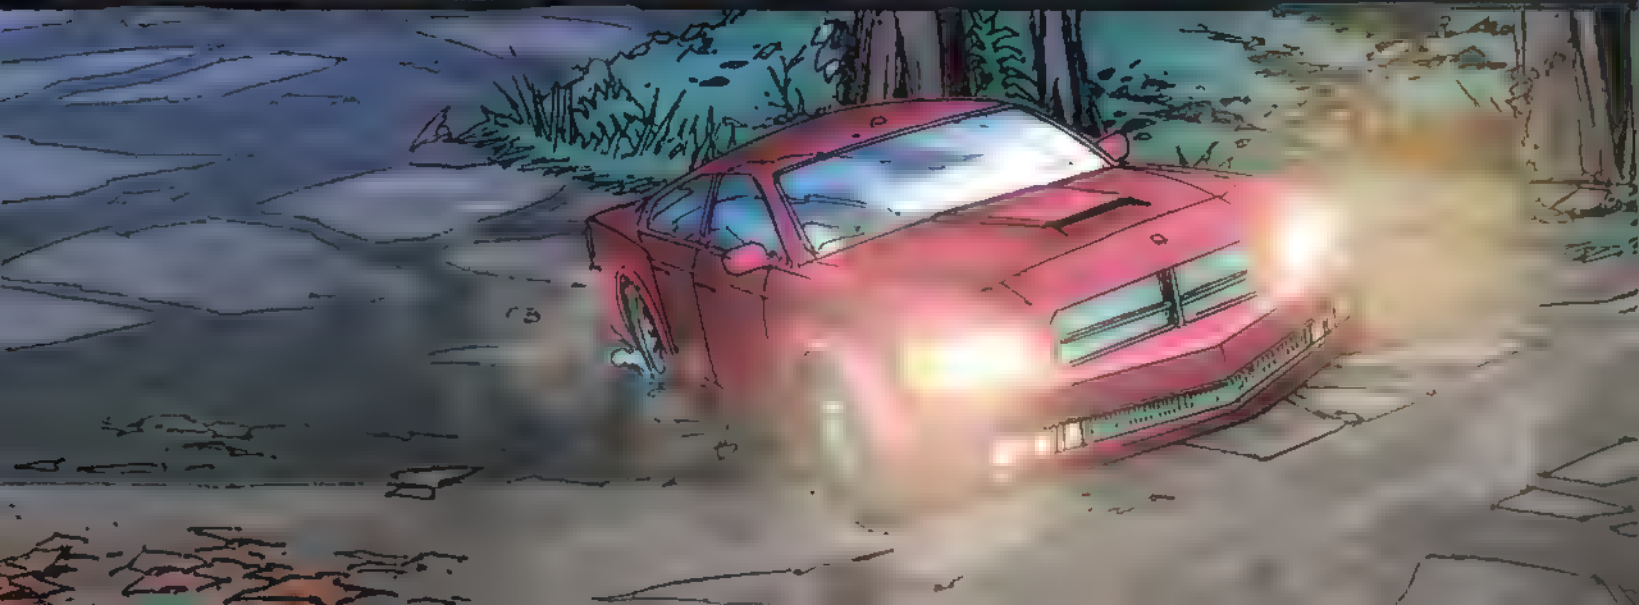

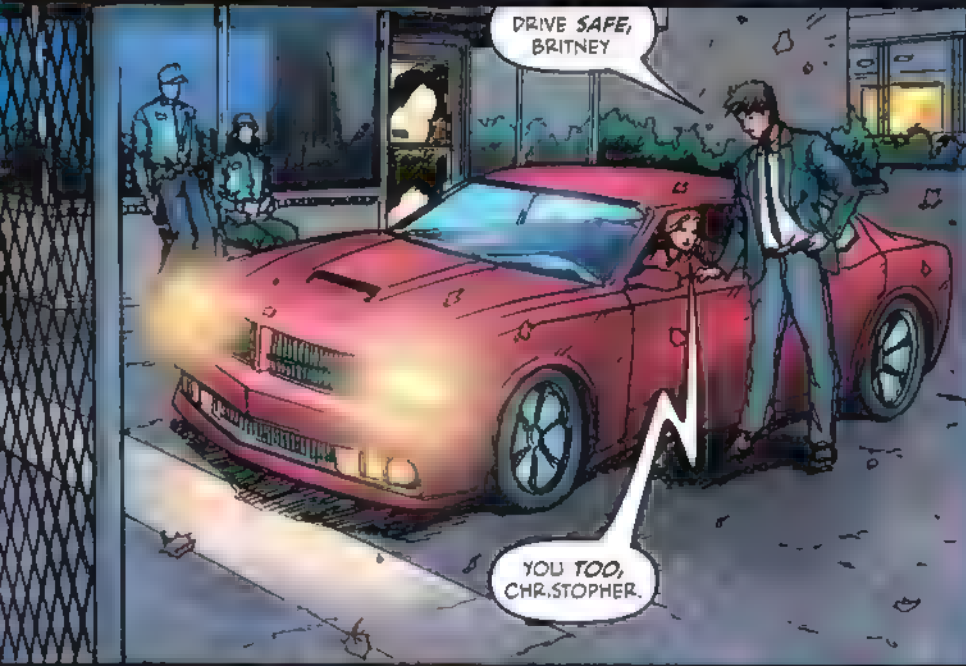

THE FORCES OF GOOD AND EVIL
COLLIDE WITH THE FATE OF OUR
WORLD AT STAKE.

THAT WAR HAS
COME HERE.

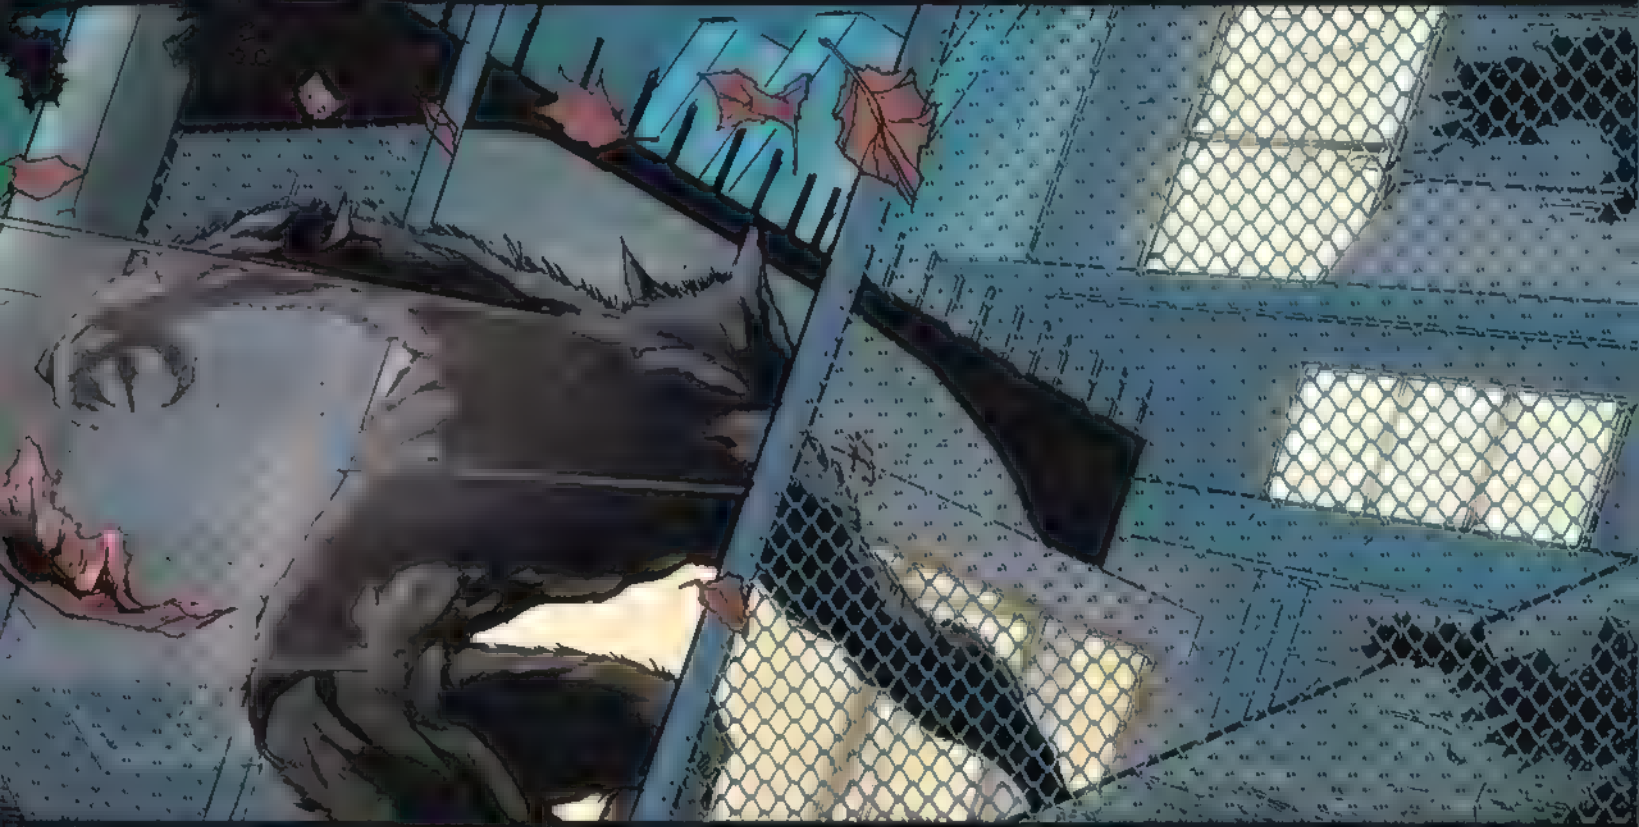

IT'S
ALREADY
HERE.

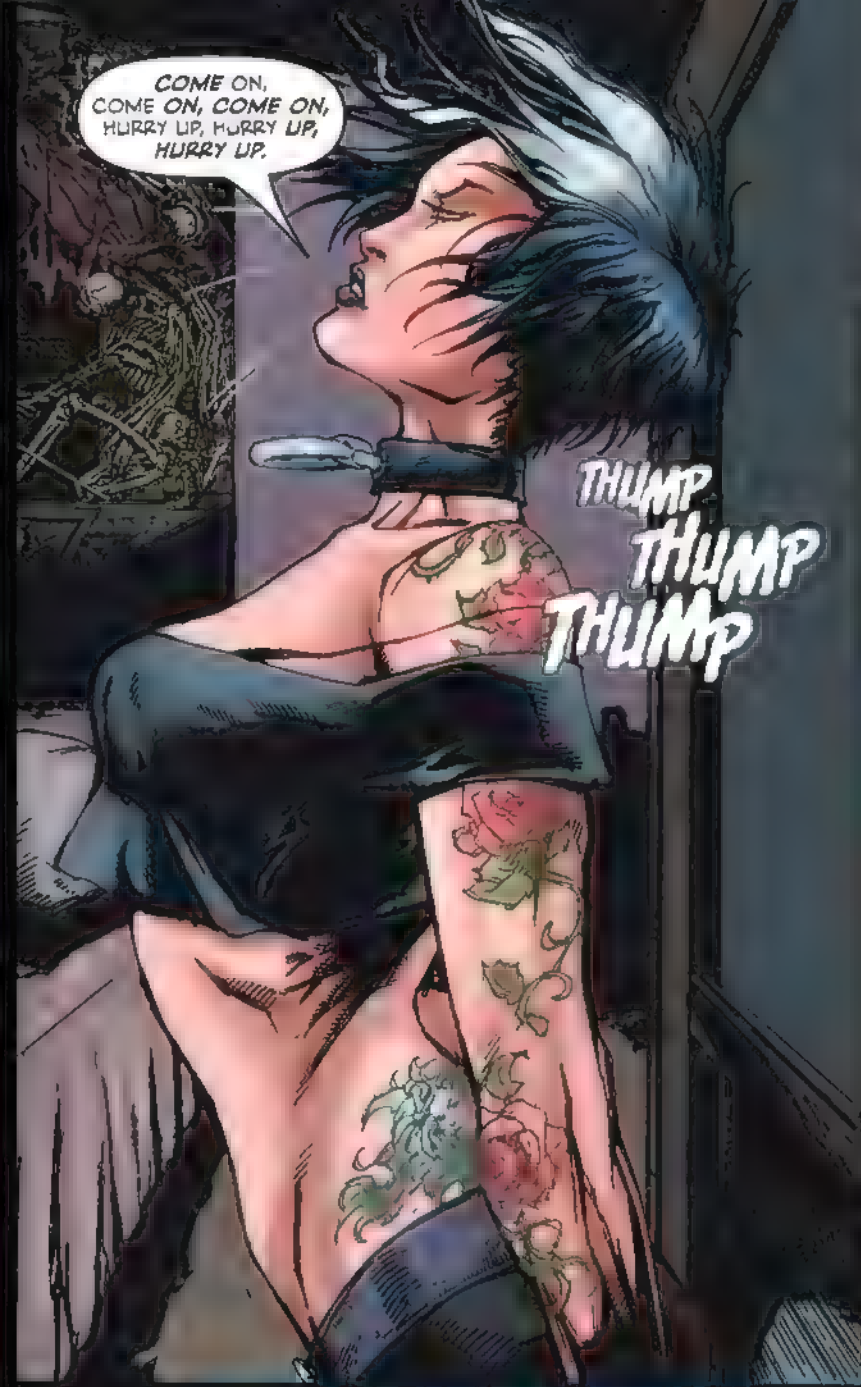

I ONLY
HOPE I'M
NOT TOO
LATE.

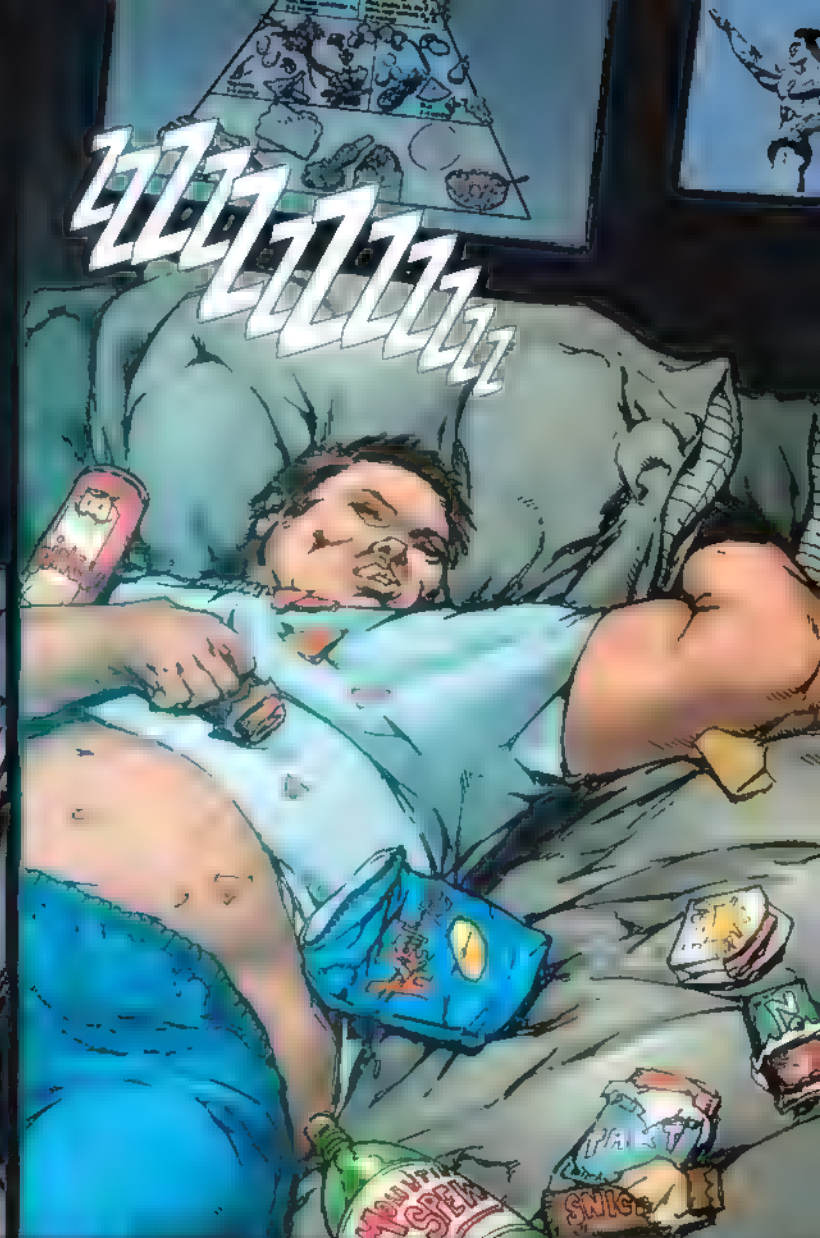

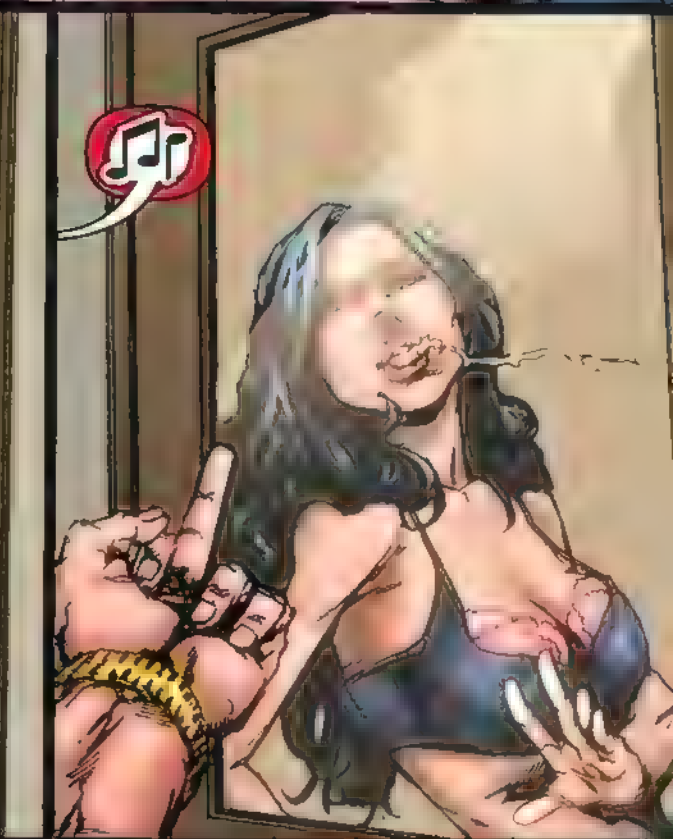

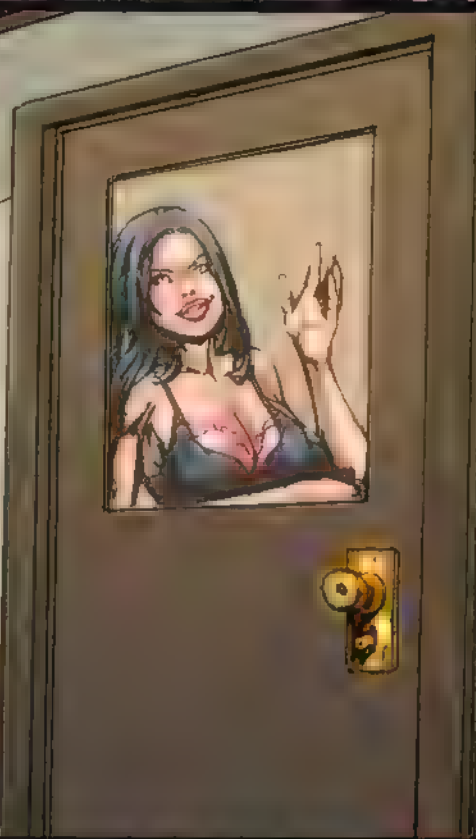

SHRRIP

TO BE
CONTINUED...

Britney Waters
Age 30

Education:
Masters Degree in Behavioral Science

Q: What made you decide to get into the behavioral health field?

A: I always felt different growing up. Like I was always alone in the crowd and those feelings followed me into my adult life and into my personal relationships. I never had anyone to talk to to help me through these emotions so I began to study up on my own personal issues which lead me to discover that I wasn't alone in what I was going through. From there I decided that I wanted to help other young people who might be going through something similar and not have anyone to turn to. The best part of my job is knowing that no matter how hard or how long it takes that at the end of the day I'm doing my best to help make someone's life better.

Name:

Lydia Matthews

Case ID:

LM332F

Notes:

Antisocial behaviors with an addiction to pain killers. Lydia has run away from home a total of twenty-two times. Patient recently committed by court order when she drove a car into someone's home while under the influence of Oxycontin alcohol. Last year patient's mother committed suicide. Note stated it was due to her husband cheating on her. Lydia was the one who discovered the affair and told her mother about her father's infidelity. She now blames herself for mother's suicide.

Name:

Brian Jacobs and Louis Mayway

Case ID:

BJ990M and LM889M

Notes:

Both patients come from an upper class upbringing and suffer from alcoholism. Patients both have an obvious lack of respect for any and all authority and have become close friends since admittance. Due to regulations and client rights we are unable to keep both patients separate from each other even if continued close association is proving detrimental to their treatment.

Name:

Tanya Rosenburg

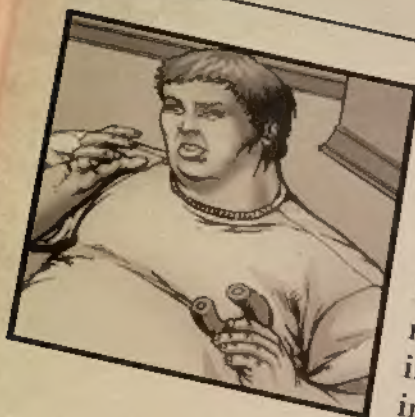

Case ID:

TR690F

Notes:

Sex addict. Fifth time client has self admitted. Mother was a high end prostitute who introduced her daughter to her first client when she was ten years old. She has been heavily sexually active since. Patient still does not see any negative consequences to her continued sexual activity.

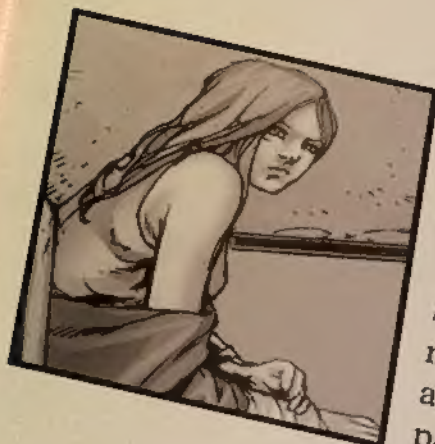

Personal Case Files and Notes of Therapist Britney Waters

Name: David Gonzales
Case ID: DG998M

Notes:

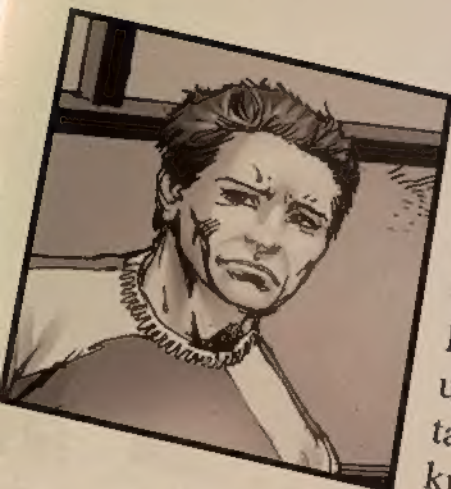

Binge Eating disorder. Parents private plane crashed into a mountain on a skiing trip and left patient a millionaire in waiting. Patient has been overeating ever since. Patient shows an intense desire to overcome his addiction to overeating. Further observation necessary at this time but patient shows promise.

Name: Andrea "Annie" Watson
Case ID: AW661F

Notes:

Self mutilation disorder with psychotic tendencies. Recently released on parole for the brutal murders of her foster father and foster mother...both of whom were sexually assaulting the patient and torturing her since coming into custody of her nearly six years ago. The jury acquitted her once investigators found pictures the couple took of their crimes. Patient now spends her more calm moments cutting herself to relieve anxiety. Possibility of rehabilitation? Less than promising.

Name: Eric Galapagos
Case ID: EG008M

Notes:

Catatonic Schizophrenia
Patient case history is less than ideal as a full case study was unable to be performed by the intake doctor at time of admittance due to disclosure regulations made by his father. What is known is client has had a history of heavy drug use with psychotropic medication and illegal drugs. Patient refuses to speak and is easily agitated by the smallest triggers. Patient has yet to speak since his admission here two years ago. His parents never visit but we do receive payment on schedule every month which makes family therapy impossible to enact. At each group and private session patient is always asked if he'd like to speak. He never does.
